

## FREE PROGRAMS AT GENESIS CENTRE THIS WINTER

# SPORT HUB

### Program Concept:

The **SPORT HUB** is a collaboration between The City of Calgary, Calgary Board of Education, Sport Groups, and Communities, offering sport programming that is inclusive, affordable and accessible with the goal of providing a quality sport experience to Calgarians and to support a more physically active lifestyle. The **SPORT HUB** is built around a premise of delivering a long-term athlete development pathway through the school system, extending into the community and club sport.
