These guidelines apply to all fields. Exceptions are noted. Otherwise, the penalties for consuming alcohol at the Genesis Centre facility are:

- A: Individual Group/Special Event/Team:
 - First offence – all related bookings at the facility where the offence took place will be cancelled without refund.
- B: Leagues:
 - First offence – The league will have the option of removing the offending team from their league or lose all booked permit times at the facility where the offence occurred. Should the league choose to remove the offending team from the league, they will also be required to provide the team schedule to Facility Bookings so that those games can be removed from the leagues' permit. Leagues must provide Facility Bookings the team schedule and notification that the team has been removed from the league by the deadline provided in official communication from the Genesis Centre
 - Second offence - If a league and teams within the league continue not to comply with these guidelines, the league will lose all booked permit time at Genesis Centre with no refund for monies paid.
